CHAPTER 2

FCI international titles

The rules that apply in every FCI country. International titles are confirmed by the FCI office, never at the show: your national club sends the application with copies of the award cards.

International titles at a glance

C.I.B.

International Beauty Champion

4 CACIB	**3** countries
3 judges	**1 yr + 1 d** first to last

For breeds without a working test. Any CACIB counts, however many dogs were entered.

C.I.B.

Working-test breeds

2 CACIB	**2** countries
2 judges	**1 yr + 1 d** first to last

Plus a passed working test where the CACT is at stake (e.g. IGP for groups 1–3, hunting tests for groups 6–8).

C.I.E.

International Show Champion

4 CACIB	**3** countries
3 judges	**1 yr + 1 d** first to last

The show-only route for working-test breeds that do not take the working test.

C.I.B.-J

International Junior Beauty Champion

3 CACIB-J	**3** countries
3 judges	**—** no time span

Junior class (9 to under 18 months), Excellent 1. Only CACIB-J from 1 Jan 2023 count.

C.I.B.-V

International Veteran Beauty Champion

3 CACIB-V	**3** countries
3 judges	**—** no time span

Veteran class (from 8 years), Excellent 1. Only CACIB-V from 1 Jan 2023 count.

Good to know

The CACIB for adults can come from the intermediate, open, bred by exhibitor, working or champion class. A dog may hold several international titles. The time span counts from the first to the last CACIB used.

Classes and ages

The age that counts is the dog's age **on the day it is shown** (FCI rule from 1 January 2026). If the birthday falls on the show day, you may choose the class before entries close.

Club rules

42 CACIB shows in this book

CHAMPION

3 CAC (2 judges) or 5 CAC (3 judges)

Any one route: 3 LT CAC under 2 judges, at least 1 at an international or LKD breed-club (speciality) show; or 5 LT CAC under 3 judges; or 2 LT CAC under 2 judges, 1 at an international or LKD breed-club (speciality) show, plus an FCI-recognised working qualification valid for C.I.B. A confirmed LT JCH counts as one national-show CAC. Foreign dogs: national champion of the country of registration + 1 LT CAC for dogs registered in Armenia, Belarus, Bosnia and Herzegovina, Cyprus, Czech Republic, Georgia, Israel, Kazakhstan, Kyrgyzstan, Moldova, Poland (CAC at an international show after PL CH), Russia, Slovenia, Türkiye, Ukraine or Uzbekistan. LKD also publishes a broader route: national champion of the country of registration + 1 Lithuanian Winner (N), which is a separate award from CAC.

JUNIOR CHAMPION

3 JN (or 2 JN at intl./speciality)

3 Junior Winner (JN) under 2 different judges; or 2 JN under 2 different judges, both at an international or LKD breed-club (speciality) show. Junior class 9–18 months. Foreign junior champions: 1 JN for dogs registered in Armenia, Belarus, Czech Republic, Estonia, Georgia, Kazakhstan, Kyrgyzstan, Latvia, Russia, Slovenia, Türkiye, Ukraine or Uzbekistan. LKD's English pages also show a plain '2 JN' rule without the show and judge conditions: confirm with LKD.

VETERAN CHAMPION

3 VN (or LT CH + 1 VN)

3 Veteran Winner (VN) under 2 different judges; or LT CH + 1 VN. Veteran class from 8 years. Foreign veteran champions: 1 VN for dogs registered in Belarus, Estonia, Latvia or Türkiye. LKD's English pages also show a plain '2 VN' rule: confirm with LKD.

HOW CAC IS AWARDED

Every adult class

Every adult class: a CAC may go to the Excellent 1 male and female in each of Intermediate, Open, Working and Champion classes (at the judge's discretion). The CAC winners then compete, by sex, for the Winner (N) award.

MORE TITLES AND NOTES

Puppy Champion: 3 Puppy-class first places, or 2 at international/speciality shows (Puppy 6–9 months; no Baby Champion). Grand titles (the matching LT title must already be held; earlier results count): Grand PCH 9 Puppy firsts, or 5 incl. 3 at international/speciality shows; Grand JCH 10 JN under 5 judges, or 8 JN under 5 judges incl. 3 at international/speciality (foreign: home JCH + LT JCH + 4 JN under 3 judges, 2 at international/speciality); Grand CH 10 CAC under 5 judges incl. 3 at international/speciality, or 15 CAC under 7 judges, or 6 CAC under 2 judges incl. 2 at international/speciality + working qualification (foreign: home CH + LT CH + 4 CAC under 3 judges, 3 at international/speciality; LT JCH does not count as a CAC here); Grand VCH 10 VN under 5 judges, or 8 VN under 5 judges incl. 3 at international/speciality. Club titles: Club JCH 2 Club Junior Winner (or LT JCH + 1); Club CH 2 Club Winner (or LT CH + 1); Club VCH 2 Club Veteran Winner (or LT VCH + 1); a CAC at a speciality is not a Club Winner award. Baltic titles combine the three national titles: BALT JCH/CH/VCH = LT + LV + EST JCH/CH/VCH. Lithuanian champions abroad (LKD list): LT CH helps in Armenia, Belarus, Bosnia and Herzegovina, Czech Republic, Denmark, Estonia, Georgia, Israel, Kazakhstan, Cyprus, Kyrgyzstan, Latvia, Poland (1 certificate at an international show after LT CH), Moldova, Norway, Romania, Russia, Slovenia, Finland, Sweden, Türkiye, Ukraine, Uzbekistan; LT JCH in Armenia, Belarus, Czech Republic, Estonia, Georgia, Latvia, Kazakhstan, Kyrgyzstan, Russia, Slovenia, Türkiye, Ukraine, Uzbekistan; LT VCH in Belarus, Estonia, Latvia, Türkiye. Extra conditions may apply in each country. Russia appears on these lists; the Russian Kynological Federation has been suspended by the FCI since 2022, so check with LKD.
